## ENGLISH

**Time: 40 minutes**

**Social Skills/Oral Assessment:**

- *Students will complete the assessment in a small group and one on one setting during which they will be assessed on basic conversational skills and age appropriate social skills through observation.*

**Listening:**

- *Students will be assessed on listening comprehension skills. Students will read a short story and then must answer five multiple choice questions based on the reading. Students do not see the short story.*

**Vocabulary:**

- *Students will be tested on their knowledge of Dolch Grade 2 Site Words. Students will be given a reading passage with several missing words. Students will use a word bank to complete the passage.*

**Reading & Comprehension:**

*Students will read a short passage and answer comprehension questions. Assessment is based on the following criteria:*

- *The student knows the main idea of the story, recalled some details and stay on topic.*
- *The student is able to infer word meaning for vocabulary found in passage.*
- *The student can answer contextual and inference questions correctly.*

**Writing:**

*Students will demonstrate their ability to write a well-developed paragraph on a given topic. Assessment is based on the following criteria:*

- *Student is able to express organized ideas with specific details.*
- *Student uses grade appropriate vocabulary.*
- *The student is able to use punctuation and capital letters appropriately.*
- *Most common words are spelled correctly.*
- *Some correct verb tenses are present.*
- *Student is able to write at least five sentences.*
- *Handwriting is well-spaced and legible.*
